GERMANY REFUSES U. S. PLAN OF POLAND RELIEF

JUDGE STUART'S RESIGNATION TO BE OFFERED SOON

Senator Shafroth Has Document in Possession With Jurist's Swan Song

EXPECTED TO TURN IT OVER TO PRESIDENT

Communication is Addressed to Mr. Wilson, Not to Department of Justice

(Special Star-Bulletin Cable)
WASHINGTON, D. C., August 1.—The resignation of Circuit Judge Thomas B. Stuart of Honolulu was not presented either at the White House or the department of justice today, and the schedule Judge Stuart indicated in the "personal" letter to President Wilson he would follow has not been observed.

Sensor Shafroth of Colorado, to whom Judge Stuart sent his first two letters of resignation, said today he has the latest document in his possession. He said he would deliver it "in a day or so."

He also said that the resignation is addressed to the president, not the department of justice. It seems certain that Shafroth will turn it over to the president tomorrow or Thursday, whenever he can get an engagement at the White House. This was impossible today because of a cabinet meeting.

STUART LETTER WAS CHALLENGED BY J. A. MAGOON

Five Days Before His Death Honolulu Attorney Sent Letter to Wilson

Five days before the accident in Baltimore, Maryland, which resulted in his death, John Alfred Magoon, well-known Honolulu attorney, addressed a personal letter to President Wilson challenging the attack made by Circuit Judge Stuart on the chief executive, Secretary Lane and Attorney General Gregory—probably his last undertaking as a citizen of Hawaii and a staunch Republican.

A copy of the letter was received last night by Circuit Judge Stuart. Magoon, accompanied by a briefcase signed by the late Mr. Magoon. The letter, as read as follows:

"Dear Judge:

"Am having a delightful time. Met Mr. Whitney on the overland train, but got off at Ogden, Utah, and she came on through. Saw Stuart's letter to the President. Am going to turn around the East in an auto and will start home about the end of October.

"Have not seen McCann.

"Your friend,

"J. ALFRED MAGOON."

The letter to the President challenging Stuart's attack, reads as follows:

"Washington, D. C., July 21, 1916.

"The President,

"The White House.

"Sir: I cannot permit the letter of Judge T. B. Stuart of Hawaii, attacking Secretary Lane and Attorney General Gregory, to go unchallenged. I do not doubt the good intention of the judge, but it is misleading in fact and dangerous in effect.

"Measured by qualifications, no better man could have been appointed governor than Mr. Pinkham. He is honest, brave, capable and, what is fact, the highest qualification in Judge Stuart's estimation, is not of the pliancy. He is a friend of the people and stands for their rights as against all comers.

"He is a true Jeffersonian Democrat, as I understand that term, in that he is an indefatigable worker for the public good. His entire time is devoted to the duties of his office and neither threat nor cajolery, raise nor demagoguery can swerve him from the steadfast purpose to do the right.

"While I do not know of any mistake that he has made in the matter of home-steading the government lands, if he has made mistakes it is not to be wondered at, for he is one of the most difficult propositions we have in Hawaii: to properly discuss which cannot be thought of in this letter.

"As to Judge A. G. H. Robertson, it may be said that he was practically the unanimous choice of the Hawaiian people for the office of chief justice.

DELAYED GOODS ARE COMING ON MANOA FROM S. F.

Letter Received By Santa Fe Agent Here Good News For Honolulu Merchants

Good news for Honolulu merchants who have been unable to get shipments of new goods here from the mainland, is contained in a letter received today by General Agent H. E. Vernon of the Santa Fe System's Honolulu office, from G. W. Lupton, Santa Fe freight agent in the Bay City.

This letter, dated July 26, says that from all indications on that date the Matson Navigation Company would take all of the old merchandise for Honolulu on the steamer sailing August 1, the Manoa, due to leave at 4 o'clock this afternoon.

"The Matson line has requested the Santa Fe to deliver to them 10 cars of merchandise, and it looks as though we will get orders for eight or 10 cars more," said Vernon this afternoon. "Merchandise shipments are less than carload lots, and from 10 to 30 consignees may be interested in each car. They include drugs, dry goods, shoes and general lines of merchandise."

CONTEMPLATED RAISE OF FREIGHT RATES IS EARNESTLY PROTESTED

Cabled protest against the contemplated \$0.22-1-2 a hundred raise of freight rates east of San Francisco was forwarded through George McK. McClellan to the interstate commerce commission by the chamber of commerce Monday night. The action was decided upon at a meeting of the board of directors late Monday afternoon.

"The pineapple pack is sold but it cannot be moved owing to a shortage of bottoms," said Raymond C. Brown, secretary of the chamber, in explanation. "The price obtained is based on the present rate. If that rate is increased September 1, as contemplated, there would be a loss to the packers. We asked that the rate be deferred until January 1 to give the pineapple crop a chance to move."

DEMOCRATS ARE ORGANIZED FOR THEIR CAMPAIGN

Territorial Committee Meets and Elects Officers and Plans Work

PART OF PLATFORM TENTATIVELY DRAWN

Prof. W. A. Bryan Succeeds Pacheco, Who Has Other Aspirations for Office

Starting their campaign with a declaration of confidence and promising that it will develop into a whirlwind, the Democratic territorial committee met yesterday and last night.

Prior to passing on first reading a number of planks, printed in full in today's edition of the Star-Bulletin, which will comprise much of the party platform, it effected a complete reorganization in its lineup of officers.

William A. Bryan, professor in the College of Hawaii and mentioned as a candidate in the coming senatorial race, was elected chairman to succeed Manuel C. Pacheco, chairman for the last four years. Pacheco was nominated, but withdrew in favor of Bryan. He has other political campaigns in view.

Horace Crabbe was elected vice-chairman to succeed Jesse Ulithi; Thomas McVeagh was named secretary to succeed Frank C. Benevides, and E. H. F. Wolter was elected treasurer, succeeding T. J. Ryan, recently appointed clerk in Circuit Judge Clem K. Quinn's court at Hilo. Pacheco Explains Withdrawal.

As his reasons for withdrawing as a candidate for chairman of the territorial committee Pacheco says that he is contemplating running for one of three offices.

"But I am entirely in the hands of my friends in this matter," he declares. "Some have urged me to run for senator from the third senatorial district, and others have suggested that I run for supervisor."

"Since Governor Pinkham has, in the case of James L. Coko, established the precedent that a senator may resign, I feel that I am in a position to run for senator and then, if the postmasterhip is tendered me, I can resign as senator, should I be elected. But I am in doubt as to whether the governor has the power, under the Organic Act, to accept the resignation of a senator."

"I am confident that my name will be considered for the postmastership. I know the department will give me consideration and, in our own platform, we will support the home rule plank in the national platform."

Platform is Considered.

The meeting yesterday was held in the office of National Committeeman J. H. Wilson in Pauahi street. Following the election of officers the committee resolved itself into a committee of a whole for consideration of the various tentative platform planks. A sub-committee then was appointed to prepare a draft of the tentative platform for presentation to the committee.

The sub-committee is composed of Thomas McVeagh, M. C. Pacheco, Joseph Kalana, Horace Crabbe and William St. Clair.

In its tentative report the sub-committee presented the platform planks printed in the Star-Bulletin today. These planks passed first reading. They will be open to amendment upon second reading, which will be done at another meeting to be held at 7:30 o'clock tomorrow evening.

Following are the tentative planks which have passed first reading:

We, the representatives of the Democratic party of the Territory of Hawaii,

Great Submarine Chase Is Now On!

Here is Splendid Chance to Win \$50 Prize

Look for Directions on Page Three of This Issue and Get Busy

They're off! In all the splendor of their newness, and with decks stripped for action, they cleared port today and steered for the blue of the open sea.

Fathers, mothers, brothers, sisters, grandmas, grandpas, cousins, aunts, the cook, the housemaid, the yardman, the debuts and society queue—all are after the Star-Bulletin's submarines and cruisers and that fine little prize of \$50.

Today begins the first chase, when everybody is going to study good roads and what they mean to Honolulu. The three following Tuesdays the chase will be continued and after that the records of the contestants will be carefully examined and the winner of the big cash prize announced.

The chase will be an easy one because the ships are of two kinds only—submarines and cruisers—and they will be scattered through the advertisements of the Star-Bulletin for four Tuesdays, beginning today.

Each ship bears a printed word. The submarines or the cruisers clipped from today's Star-Bulletin and properly arranged on the Submarine Chase cards, which you procure at any store, will form a complete statement on good roads.

The words may be arranged to suit the chaser, only they must form a complete paragraph and five additional words for each set of ships of the contestant's own choosing may be used.

Go over today's advertisements carefully, and to make doubly sure that no single ship has escaped your eyes or scissors tomorrow's Star-Bulletin will print the number of ships appearing in today's edition.

All the stores whose ads appear in today's Star-Bulletin will have stacks of Submarine Chase cards for distribution. Just ask for one or as many as your family needs and get busy.

The cards for each week should be sent to the Star-Bulletin by the following Monday. First read the card of directions on Page 3 of this issue. Then draw up to the table, spread out your Star-Bulletin and go Submarine and Cruiser chasing.

Each member of the family may share in the fun, for all should have a chance at the generous prize that goes to the winner—the one who forms the most concise, hit-in-the-eye statements from the words on the ships.

Cut out your submarines and cruisers tonight. Tomorrow, bright and early, drop into one of the stores and ask for your Submarine Chase cards. Get busy and get in early to avoid the rush.
